# OUR STORY

---

The year was 1967, and Don Soffer sketched what he wanted the City of Aventura to look like on a napkin. He envisioned an upscale neighborhood with thousands of residences, the centerpiece around which would be a country club, hotel, a golf course, and yacht club. But this wasn't a project Don envisioned within the already booming city of Miami; instead, the entrepreneur zeroed in on 785 acres of undeveloped land between downtown Miami and Fort Lauderdale. Piece by piece, Don plowed forward with his vision, proving all the naysayers wrong, building the city of Aventura.

Turnberry Marina is the essence of what Don Soffer envisioned for yachting. Located on North Miami's Intracoastal Waterway, the newly renovated marina allows effortless arrivals and departures with personalized dockside service. Exquisitely designed and impeccably serviced, Turnberry Marina is only minutes from Turnberry Isle Miami Resort & Club and the cities of Aventura, Sunny Isles, Bal Harbour, Golden Beach, and Miami Beach.

Turnberry Marina makes your waterfront lifestyle magical, by providing the premiere marina experience in South Florida.
